**Mr. Hussain Hilmy**  
Managing Director

## MALDIVES PORTS LIMITED

*The Gateway to the Maldivian Economy*

(MCH) to gain more terminal space was completed in 2009.

MPL continues to operate efficiently and provide its customers reliable services while reducing unit costs wherever possible. The company has registered a positive growth in terms of gross revenue and net profit since its establishment. The port continues to draw its business from the import of general cargo to the Maldives in break bulk as well containerized.

### Our Vision

To serve as a catalyst to enhance trade and commerce in the nation and in the region.

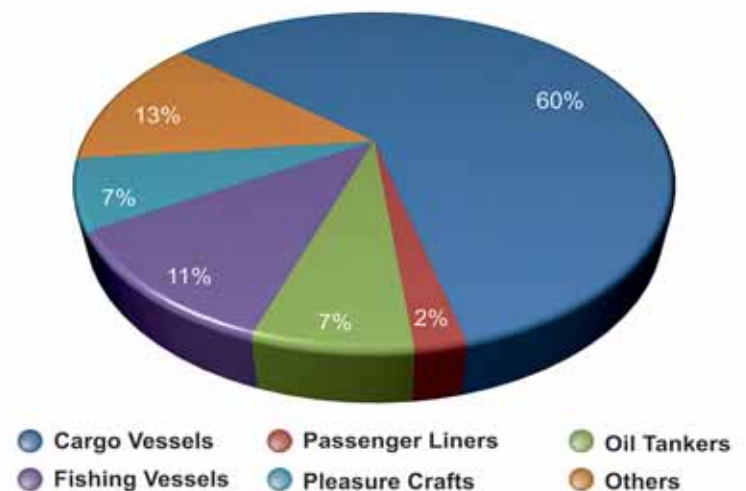

### Our Mission

To provide efficient port and port related services to facilitate trade and commerce of the nation and in the region.

### Introduction

Maldives Ports Limited (MPL), the former Maldives Ports Authority was established by a Presidential Decree with the mandate to develop, manage and operate the ports of Maldives. It was established as a wholly state-owned enterprise and is directed by a Board appointed by the President of the Republic of Maldives. To give more autonomy to the port in managing of its own affairs to enhance sustainable development, the Government has recently decided to separate the regulatory and commercial functions of the Port. The regulatory function was transferred to the Ministry of Housing, Transport and Environment (MHTE) and the commercial function was corporatized as Maldives Ports Limited on the 31<sup>st</sup> of July, 2008. The newly formed port company inherited the task to keep planning ahead and keep pace with the changing needs of port users, the shipping and business community. To address the inadequacy of infrastructure, a major redevelopment of the Male' Commercial Harbour
