Celebrating 30th Anniversary

VOYAGES MALDIVES
— Since 1980 —

VOYAGE TO DISCOVER...

For a voyager to see a destination, its people, its wonders, its vibe, and its secrets, the voyager must have open eyes. Eyes that can sense how the people of a destination subsist, how the creatures in it coexist, and how the surrounding natural environment blends with it.

Voyages Maldives has been this guiding eye for countless numbers of travellers who visited the Maldives since 1980. Most of them have come back once, twice, or more, marvelled and fully satisfied by the experience of their first voyage across these beautiful islands with Voyages Maldives.

At the very early stages of our 30 year existence, we learnt to see each client as a unique voyager of their own. We have learned to cater efficiently to simple and grand needs. We have managed to acquire a leading position in the travel and tourism sector of Maldives by gaining trust of our international partners, faithful clientele and local partners. And most importantly, we have managed to understand our rich culture and breathtaking natural environment in a way that we can show the world how to make the perfect voyage across its 1,190 islands.

Our Own 7 Safaris, limitless shores

Amongst a spectrum of our diverse operations, our prime enterprise lies in providing splendid tours on our very own 'live aboard' safari boats, with sailing, diving, cruising and surfing among the most popular ones.
